General Information

A number preceded by *Signal*, i.e., *Signal 580*, call that station by telephone.

A number followed by the letter *R* means report to that station in person.

All transmissions will be brief, concise, and necessary.

All units will respond with their call number and location when called by means of radio. Exceptions are supervisors and personnel in unmarked cars when disclosure of their location would interfere with their assignment.

*Note: Use a “V” following any of the above codes to indicate videotaping of the incident.*
