The Darker Side of Social Networking—
What Every Officer Needs to Know
Columbus, Ohio
April 28-29, 2015

Conference Restricted to Criminal Justice Personnel Only.

Hosted by Ohio Prosecuting Attorneys Investigators Association, MAGLOCLEN, Ohio Peace Officer Training Academy (OPOTA), Columbus Division of Police & U.S. Attorney’s Office (Ohio)

- Understanding what a Social Network is and how it works.
- The amazing growth and variety of Social Networks. The attributes & elements that are in common with most Social Networks and how they affect Law Enforcement.
- A review of the more popular Social Networks.
- What information is being collected.
- Geo tagging and how it works.
- EXIF information in posted photos.
- Using Social Networking data as an investigative tool. Authenticating the information.
- How Social Networks contribute to sexting, sextortion and cyber bullying.
- Specific safety issues for Law Enforcement and Prosecutors - Counter surveillance, sharing too much information, failing to mask IP addresses, using their own photos as an avatar and understanding security settings.

Instructor

James Dill, Innovative Technology & Investigative Solutions, LLC
